Section 1. That the governor, secretary of state and adjutant general be and they are hereby authorized to secure the publication, in book form, of a complete roster of all Ohio soldiers who entered the volunteer service of the United States in the war with Spain and in the war of 1812; said publication to contain the main items of the record of each officer and soldier, as shown on the rolls in the adjutant general's office, and in the war department at Washington.

Section 2. The distribution of said volumes shall be under the direction of the adjutant general and shall be as follows:

To each member of the general assembly, ten copies.
